Celebrate Great Outdoors Month!

Each year, the month of June reminds us to celebrate the natural beauty of the great outdoors, whether it's in our own backyards or in the many local, state and federal public lands and waters nearby! Northern Virginia offers our community many wonderful outdoor resources to explore including hiking in the nearby Huntley Meadows Park, biking along the 18-mile Mount Vernon Trail, kayaking the Potomac River from Belle Haven Park, flying kites in Jefferson Manor Park, or just walking your dog along our neighborhood sidewalks and saying hello to friendly neighbors tending to their gardens.

There are also many outdoor opportunities not too far outside of this urban area, including the trails of Shenandoah National Park, the wetlands of Piscataway Park in Maryland, the remoteness of the Appalachian Trail, and the history and culture of Harpers Ferry in West Virginia. The great outdoors offers something for everyone no matter your skill-level, interest, background, or ability – the outdoors are for all!

Ready to find your nearest public lands and waters? There are many tools available that can help you discover nearby outdoor opportunities!

- Download the National Park Trust's ParkPassport Mobile App
- Visit **recreation.gov** to dream up your next trip and reserve sites and experiences
- Find your favorite national park on **nps.gov** or search by your desired activity
- Purchase an annual America the Beautiful National Parks and Federal Recreational Lands Pass. This $80 pass provides access to more than 2,000 federal recreation sites including national parks, wildlife refuges and national forests. ¡Celebrando el mes del aire libre en junio!

¡Cada año, durante el mes de junio, celebramos la belleza natural del aire libre, ya sea en nuestros propios patios traseros o en los muchos parques y tierras y aguas públicas locales, estatales y federales cercanas! El norte de Virginia ofrece a nuestra comunidad muchos recursos maravillosos al aire libre para explorar, como caminatas en el cercano Parque Huntley Meadows, andar en bicicleta a lo largo del sendero Mount Vernon de 18 millas, navegar en kayak por el río Potomac desde el Parque Belle Haven, volar cometas en el Parque Jefferson Manor o simplemente caminar con su perro a lo largo de las aceras de nuestro vecindario mientras que saluda a sus vecinos amistosos que cuidan sus jardines.

También hay muchas oportunidades al aire libre no muy lejos de esta área urbana, incluidos los senderos del Parque Nacional Shenandoah, los humedales del Parque Piscataway en Maryland, la lejanía del Sendero de los Apalaches y la historia y cultura de Harpers Ferry en Virginia Occidental. El aire libre ofrece algo para todos, sin importar su nivel de habilidad, interés o experiencia: ¡el aire libre es para todos!

¿Está listo para encontrar los parques y tierras y aguas públicas más cercanas? Hay muchas herramientas disponibles que pueden ayudarlo a descubrir oportunidades cercanas de recreación al aire libre. Algunos ejemplos incluyen:

- Descargue la aplicación móvil ParkPassport de National Park Trust.
- Visite **recreation.gov** para planear su próximo viaje y reservar sitios y experiencias.
- Encuentre su parque nacional favorito en nps.gov o busque por su actividad deseada
- Compre un pase anual de Parques Nacionales y Tierras Recreativas Federales (America the Beautiful National Parks and Federal Recreational Lands Pass). Este pase de $80 brinda acceso a más de 2,000 sitios federales de recreación, incluidos parques nacionales, refugios de vida silvestre y bosques nacionales. Para obtener más información sobre la compra de este pase, visite: **store.usgs.gov/pass**. También puede ser elegible para un pase gratuito o de costo reducido si es residente permanente y:
  - Es un militar, veterano o miembro de la familia Gold Star
  - Tiene 62 años o más
  - Tiene una discapacidad permanente
  - Es un voluntario con 250 horas de servicio con agencias federales
  - ¿Tiene un estudiante de 4to grado? Visite: **www.everykidoutdoors.gov**

From the president

I am honored and humbled to represent our vibrant community, thank you for your vote of confidence. Knowing that I am following in the footsteps of so many amazing and talented volunteers, I will do my best to maintain the positive culture and presence of the JMCA for the betterment of all who live in Jefferson Manor. If you're old enough to know the reference….one could say I'm the second stage act, following The Beatles.

I would like to extend gratitude to my predecessor, Alexis Glenn, for her terrific tenure and 5 years of service to the JMCA. Alexis skillfully guided us through a most difficult time during the pandemic, while continuing to plan events and activities to keep us headed in the right direction. We are grateful for your dedication, passion and commitment to our amazing neighborhood. THANK YOU!

The newly elected board of talented volunteers has successfully concluded their first meeting and we are excited for the rest of 2022! My goals through the remainder of the year are to build on the efforts and ideas of previous board members and neighbors, generate and solicit fresh ideas, and preserve the spirit of volunteerism and giving back. Returning to in-person events, safely and responsibly, is an important step. The JMCA is working diligently on inclusive events that will strengthen Jefferson Manor by introducing neighbors to one another. We will also be planning some special "members only" events for JM residents with current membership status, more details coming soon. Keep your eye out for specifics in future newsletters and the JMCA Facebook group page.

Serving as president of one of the strongest communities in the D.C. area will give me the chance to meet even more amazing neighbors, and I am greatly looking forward to it. I'm here to listen and to help, so feel free to reach out anytime. Cheers!

–Derek Cole

Mensaje del presidente

Me siento honrado y conmovido de representar a nuestra vibrante comunidad. Agradezco su voto de confianza. Sabiendo que estoy siguiendo los pasos de tantos voluntarios increíbles y talentosos, haré todo lo posible para mantener la cultura positiva y la presencia de la JMCA para el mejoramiento de todos los que viven en Jefferson Manor. Si eres lo suficientemente mayor para saber la referencia... se podría decir que soy el segundo acto, siguiendo a Los Beatles.

Me gustaría agradecer a mi predecesora, Alexis Glenn, por su excelente mandato y 5 años de servicio en la JMCA. Alexis nos guió hábilmente a través de un momento muy difícil durante la pandemia, mientras continuaba planificando eventos y actividades para mantenernos en la dirección correcta. Estamos agradecidos por su dedicación, pasión y compromiso con nuestro increíble vecindario. ¡GRACIAS!

¡La junta recién elegida de voluntarios talentosos ha concluido con éxito su primera reunión y estamos listos por el resto de 2022! Mis objetivos durante el resto del año son aprovechar de los esfuerzos y las ideas de los miembros anteriores de la junta y los vecinos, generar y solicitar ideas nuevas y preservar el espíritu de voluntariado y generosidad. Regresar a los eventos presenciales, de manera segura y responsable, es un paso importante. La JMCA está trabajando diligentemente en eventos inclusivos que fortalecerán a Jefferson Manor y presentarán oportunidades para que los vecinos se puedan conocer entre sí. También estaremos planeando algunos eventos especiales solo para aquellos residentes de Jefferson Manor que tienen membresía actual con la JMCA. Se proveerán más detalles próximamente. Esté atento a los detalles en futuros boletines y en la página del grupo de Facebook de la JMCA.
Fungir como presidente de una de las comunidades más sólidas en el área de D.C. me dará la oportunidad de conocer a vecinos aún más increíbles, y tengo ganas de hacerlo. Estoy aquí para escuchar y ayudar, así que no dude en comunicarse en cualquier momento. ¡Saludos!

–Derek Cole

Responsible Dog Ownership

Dogs must be on a leash in Fairfax County, unless they are in a designated off-leash area. Even though your dog might be well trained, other people and animals might not fare well in the interaction. Please remember that this is a law.

Here are some other reminders from Fairfax County to help us be responsible dog owners!

1.) IDENTIFY YOUR PET

Make sure your dog wears a collar with a current license and ID tag and has a microchip with up-to-date information.

2.) VACCINATE YOUR DOG

Proof of a valid rabies vaccine is required for licensing your dog in Fairfax County. Check with your vet to determine what other vaccines are appropriate for your dog.

3.) GET YOUR DOG LICENSED

All dogs four months and older must have a license, which is renewed annually.

4.) SPAY OR NEUTER YOUR PET

Each year, three to four million homeless pets are euthanized in the United States. By spaying or neutering, you are doing your part to reduce pet overpopulation.

5.) ENROLL YOUR DOG IN A TRAINING OR OBEDIENCE CLASS

Positive training will allow you to control your dog's behavior safely and provides a terrific opportunity to enhance the bond you share with your dog. Training builds communication, understanding and mutual respect. The Park Authority offers basic and advanced obedience classes.

6.) KEEP YOUR DOG PHYSICALLY FIT

Up to 45 percent of pets in the United States are overweight or obese. To keep your dog happy and healthy, make sure you exercise your dog every day. Twice daily walks are enough for some dogs while others benefit from the additional exercise, play time and socialization they get from regular visits to a dog park.

7.) OBEY LEASH LAWS

In Fairfax County, dogs are required to be on a leash at all times in public areas unless they're in a designated off-leash area. Jefferson Manor Park does not have an off-leash area.

8.) CLEAN UP AFTER YOUR DOG

Pick up dog waste and dispose of it in a public trash can or at home. Dog waste is not only unsightly, but it pollutes groundwater and is harmful to wildlife.

9.) PROTECT YOUR DOG FROM THE ELEMENTS

If the temperature outside is too cold or hot for you, it is also too cold or hot for your pet. Pets should be kept indoors, and never leave your pet in a car when the outside temperature is above 70 degrees.

10.) GIVE YOUR DOG COMPANIONSHIP

Dogs left alone for long hours are more likely to exhibit undesirable behaviors including aggression and separation anxiety. If you are away from your home for long hours, consider hiring a dog walker or getting a companion for your pet. The animal shelter has lots of loving pets waiting to meet you!

Tenencia responsable de perros

Los perros deben ir con correa en el condado de Fairfax, a menos que estén en un área designada sin correa. Aunque su perro esté bien entrenado, es posible que a otras personas y animales no les vaya bien en la interacción. Recuerde que esto es una ley.

Aquí presentamos algunos otros recordatorios del condado de Fairfax para ayudarnos a ser dueños responsables de perros:

1.) IDENTIFIQUE SU MASCOTA

Asegúrese de que su perro use un collar con licencia y placa de identificación vigentes y que tenga un microchip con información actualizada.

2.) VACUNA A TU PERRO

Se requiere prueba de una vacuna válida contra la rabia para obtener la licencia de su perro en el condado de Fairfax. Consulte con su veterinario para determinar qué otras vacunas son apropiadas para su perro.

3.) OBTENGA LA LICENCIA DE SU PERRO

Todos los perros mayores de cuatro meses deben tener una licencia, que se renueva anualmente.

4.) ESTERILIAR O CASTRAR A SU MASCOTA

Cada año, entre tres y cuatro millones de mascotas sin hogar son sacrificadas en los EEUU. Al esterilizar o castrar su mascota, está haciendo su parte para reducir la sobrepoblación de mascotas.

5.) INSCRIBE A TU PERRO EN UNA CLASE DE ENTRENAMIENTO O DE OBEDIENCIA

El entrenamiento positivo le permitirá controlar el comportamiento de su perro de manera segura y brinda una excelente oportunidad para mejorar el vínculo que comparte con su perro. La formación fomenta la comunicación, la comprensión y el respeto mutuo. La Autoridad del Parque ofrece clases de obediencia básica y avanzada.

6.) MANTENGA A SU PERRO EN FORMA FÍSICA

Hasta el 45 por ciento de las mascotas en los Estados Unidos tienen sobrepeso u obesidad. Para mantener a su perro feliz y saludable, asegúrese de ejercitarlo todos los días. Caminar dos veces al día es suficiente para algunos perros, mientras que otros requieren ejercicio adicional. Muchos perros también se gozan del tiempo de juego y la socialización que obtienen de las visitas regulares a un parque para perros.

7.) OBEDECER LAS LEYES DE LA CORREA

En el condado de Fairfax, los perros deben ir con correa en todo momento en las áreas públicas, a menos que estén en un área designada sin correa. Jefferson Manor Park no tiene un área sin correa.

8.) LIMPIAR LOS DESECHOS DE SU PERRO

Recoja el excremento de su perro y deséchelo en un basurero público o en su basurero particular. Los desechos de los perros no solo son antiestéticos, sino que también contaminan las aguas subterráneas y son dañinos para la vida silvestre.

9.) PROTEJA A SU PERRO DE LA INTEMPERIE

Si la temperatura exterior es demasiado fría o caliente para usted, también lo es para su mascota. Las mascotas deben mantenerse adentro y nunca deje a su mascota en un automóvil cuando la temperatura exterior sea superior a 70 grados Fahrenheit.

10.) DALE A TU PERRO COMPAÑÍA

Los perros que se quedan solos durante largas horas tienen más probabilidades de exhibir comportamientos indeseables, como agresión y ansiedad por separación. Si está fuera de su hogar durante muchas horas, considere contratar a un paseador de perros o conseguir un compañero para su mascota. ¡El refugio de animales tiene muchas mascotas cariñosas esperando conocerte!

Earth Day Park Cleanup

The Jefferson Manor crew did a great job cleaning up our local park and watershed, Jefferson Manor Park. We partnered with Friends of Holmes Run, Fairfax County Park Authority and filled over a dozen bags of trash from the creek and surrounding trails. We were joined by students from GMU environmental law, who planted over 50 trees and native plants, while also clearing invasive plant species. After all the hard work, lunch was provided to all volunteers.

Thank you to all who helped collect garbage from our neighborhood's biggest greenspace!

Waste and Recycling Workers Week
The week of June 17 is an opportunity to thank county waste and recycling workers for their hard work throughout the year in the heat, snow, rain to keep our community clean. The Manor celebrated our workers for the first time last year with signs and refreshments as they did their Tuesday rounds. It's a great craft opportunity for kids to make thank-you notes or signs to show our appreciation. The Fairfax County Solid Waste Management Program even recognized Jefferson Manor's efforts in their newsletter! Visit the national site: **wasterecyclingworkersweek.org**

Semana de los Trabajadores de Basura y Reciclaje
La semana del 17 de junio es una oportunidad para agradecer a los trabajadores de basura y reciclaje del condado por su arduo trabajo durante todo el año bajo el calor, la nieve y la lluvia para mantener limpia a nuestra comunidad. Jefferson Manor celebró a nuestros trabajadores por primera vez el año pasado con letreros de apoyo y refrigerios mientras hacían sus rondas de los martes. Es una gran oportunidad para que los niños hagan notas de agradecimiento o letreros para mostrar nuestro aprecio. El Programa de Manejo de Residuos Sólidos del Condado de Fairfax incluso reconoció los esfuerzos de Jefferson Manor en su boletín informativo.
